Dear Sir:

Please accept this letter as a testimonial for Signature Cleaning based in Winnipeg Manitoba.

Our company, Tractus Projects, is a commercial construction, general contracting builder. With this type of work, we have specific and demanding needs for our final construction site cleanups. Many of these have been in office spaces which have strict requirements with respect to standards and time constraints.

Before we used Signature Cleaning, we bounced around from cleaning company "A" to cleaning company "Z". I have been now able to purge my rolodex of all other cleaning company phone numbers.

Joanna and her crews have been fast, flexible, professional, reliable and diligent. NOTHING gets missed.

Having her on board with our team of sub trades has made our life easier, and impressed our customers.

Should you want to discuss our experiences with Signature Cleaning further, I'd be more than happy to spend time doing so.

Yours truly,

Jody Spriggs
